When in need of first-class brick or high grade cypress Shingles call on R.G. Winter.

On the front page of this paper you will find the ad of Dr. Byron Mitchell. The doctor has been working our town for years and is personally known to most of you therefore he needs no recommendation to you who know him, but to those who do not know him, we want to personally recommend him as being the best optometrist we have ever come in contact with. He is an expert and guarantees his work to be satisfactory in every way. School will soon begin, and you should let him examine your children's eyes, he will tell you truthfully whether they need glasses or not—there is no graft to the doctor—if they need them you should consult him this time for you may not have an opportunity of seeing him before school begins.

Houston has the cleanest and best kept Cemetery in North Mississippi, Uncle Orange Evans who takes care of it, has moved all the old and dead undergrowth, scrappens the grass from around the graves, and done lots to beautify the resting place of our dead.

We want to especially call your attention to the half page ad of J. V. Boring & Brothers, they have for sometime been selling for CASH only, and the prices they are making on groceries are the best to be found. By patronizing them you save from 15 to 25 cents on the dollar. Give them a trial and you will go back again.

Trustee's Sale.

By virtue of the authority vested in me as substituted trustee, in a certain Deed of Trust executed on the 7th day of June 1912, by A. C. Ball, to the Greila Bank and due January 1st 1913, said deed of trust being recorded in book 105, page 219 of the records of deeds in the office of the chancery clerk at Houston, Miss., Chickasaw County, and default having been made in the payment of same, and I having been requested by the beneficiary will on

Monday the 6th day of Sept. 1915

offer for sale and sell to the highest bidder for cash in front of the east door of the court house in the town of Houston, Mississippi, within legal hours, the following described property located in Chickasaw county, State of Mississippi.

The S-E 1-4 and the S-W 1-4, except a strip containing 26 acres off of the West side and the 6 acre block near center of North side of S-W 1-4 and described in deed as running South 140 yards thence East 210 yards, thence North 140 yards; thence West 210 yards to point of beginning. All in Section 27, Township 15, Range 1, East, intending to convey all the land I own in Chickasaw county, with all improvements thereon.

Said property is to be sold to satisfy said deed of trust. I will only convey such title as is vested in me as substituted trustee.

Witness my signature this the 28th day of July 1915.

Cost of Fertilizing Material.

If the fertilizing material contained in the manure made by fifty dairy cows in a single year were to be purchased in commercial fertilizers at present market price they would cost over two thousand dollars.

Modern Manure Spreaders.

There has been a wonderful evolution in manure spreaders during the last few years. The modern spreader is little like the type made but a short period ago.
